Dear Parents / Students,

You will shortly make your Extra-curricular Activity (CCA) choices for Term 2 via the Parent Portal. In order to help you, this booklet contains the details of all of the CCAs that will be running from Monday 9th January through to the Friday 7th April.

Please note the following things when enrolling on a CCA:

- You can only enrol in a CCA through the Parent Portal.
- The expectation is that all students should choose at least two CCAs each term.
- Once you have registered, you will not be able to change (unless there are exceptional circumstances).
- All CCAs (except invite only) are on a first come first served basis.
• You are expected to attend your CCA every week. In the event of absence please contact the school office as they centrally coordinate absent students.

• Some CCAs are labelled as ‘Invite Only’ – students will be informed if they need to join a CCA (for example the COBIS CCAs are only for those involved in this year’s COBIS competition teams and these students will automatically be added to the register in advance – you will not need to sign up for these).

• If you have been pre-registered for an invitation-only CCA, please do not choose another CCA at the same time!

The following pages show each of the CCAs listed by day of the week.

The Parent Portal will open on Monday 28th November (1:00pm) and will close on Monday 12th December (10:00am)
Ballet

Mariana Mois

Monday

Reception - Year 3

A chance to learn and practise classical ballet techniques and enjoy learning the basics of a beautiful art form.
Climbing

Vlad Popa

Monday
Reception - Year 2

Climbing is one of the most complex activities children can experience and can really help to develop their confidence and perseverance, requiring the coordination of all four limbs, strength and problem-solving. Our very experienced teachers are always on hand to supervise children carefully, with safety as paramount. Small group sizes enable individual attention to help children to develop their skills and our purpose built climbing wall allows the club to proceed in all seasons.
Fencing Beginners

Lucian Burche

Monday R-Year 9

Our beginners’ fencing classes cover the basics of fencing and are the ideal taster of the sport. They are suitable for people who haven’t previously taken fencing lessons, or for those who fenced a long time ago and would like to return to the sport. The participants of the beginners’ classes are introduced to fencing rules, traditions, techniques and tactics. While learning the blade work, fencers exercise in pairs or with the coach. Acquired skills are practised further during the fencing bouts.
Model United Nations

*Natasha Skinner, Ana Popovici*

<table>
<thead>
<tr>
<th>Monday</th>
<th>Years 9-13</th>
</tr>
</thead>
</table>

Model United Nations is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real-world issues using the policies and perspectives of their assigned country. The CCA will prepare students for the COBIS Conference in March.

The COBIS-MUN offers students from COBIS Schools worldwide the opportunity to come together for a common purpose, to discuss important common issues that face our world today. This event will offer students the opportunity to intellectually engage with other like-minded people while developing key skills, including debating, critical and creative thinking, and the art of compromise, which are increasingly necessary in the world today.
Don Orione

Jo Mattingley-Nunn

Monday 3.00pm- 4:30 pm  
Years 7-13

Students will go to Centrul Don Orione, which is a centre that offers day care and residential facilities to children who suffer from a wide range of disabilities. Our students will play with, organise games for and generally interact with the disabled children. This is an especially important activity for students who may be considering a career in medicine, physiotherapy or occupational therapy.
Secondary School Choir
(including all singers for the school Production of ‘13’ the musical)

Sally Clark

Monday 3.00pm- 4:30 pm  Years 7-13

Students will work on good vocal production, breath control and a variety of repertoire. The majority of the repertoire will be for the school production of ‘13, the musical’
# Auto mechanics

*Joshua Garner*

<table>

</thead>
</table>

If you love to cook and make yummy food then this is the club for you.
U14 Boys Basketball

*Thomas Smith*

**Monday**  
Years 7-9

Training for the Under U14 Boys Basketball squad. The CCA is open to all abilities and will be focusing of developing individual and team skills however it is compulsory for all students that would like to represent the school in interschool’s competition.
U18 Boys Basketball

*Thomas Smith*

**Monday 4.00 - 5.00pm**  
**Years 10-13**

Training for the Under U18 Boys Basketball squad. The CCA is open to all abilities and will be focusing of developing individual and team skills however it is compulsory for all students that would like to represent the school in interschool’s competition.
Primary COBIS Swimming

Andrew Foord, Sarah Powdrill

Monday 3pm - 5pm

Years 5-6

Swimming training for those students selected to represent the Primary BSB team and compete in the COBIS games in London
DIY decoration projects

Andreea Lixandru

Monday

Years 3-6

DIY Decoration Projects is about giving more determination to students, to show them that getting dirty hands is fun, is about giving them the opportunity to express their imagination in a different way. DIY Decoration Projects would make our students realize that life is so much more than TV, Video Games and that they can do more things they’ve ever imagined.
Touch Type Read and Spell Programme

*Rocio Marti*

<table>
<thead>
<tr>
<th>Monday</th>
<th>Years 7-9</th>
</tr>
</thead>
</table>

TTRS is a multi-sensory course that teaches touch-typing to help children and adults improve their reading and spelling skills
Grammartastic

*Daniela Chirica*

**Monday**  
Years 7-8

Grammar games, puzzles, riddles and all we need to know about Grammar
Crossfit for Kids

Sue Ellingham, Sophie Hindley

Monday - 3:00pm-5:30pm       Years 7-13

Crossfit for Kids is a strength and conditioning program that is specially designed for kids and teenagers and helps them to develop a lifelong love of fitness. In a group setting, students participate in fun and engaging workouts that deliver measurable results and prepare them to be well-rounded athletes. The workouts consist of constantly varied, functional movements that deliver a fitness that is broad, inclusive and general and are scaleable for any participant at any level.
Virtual reality world exploration club

VR Voyages

<table>
<thead>
<tr>
<th>Monday</th>
<th>Years 3-6</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

VR Voyages consist of between four and eight 360 degree images. As they experience each new immersive picture, learners are taught about each Destination and asked to question and comment on what they can see. They are also able to record their learning onto VR Voyagers custom made worksheets. Most VR Voyages use the amazing Google Expeditions App as a starting point, before moving on to carefully selected 360 degree videos that give learners an incredible sense of presence in their location. Learners of all ages will be enthralled by the clarity of the images and the sense of ‘really being there’ they experience from each new destination. Our Headsets do not have straps, they are held up to the eyes, so there are plenty of opportunities throughout the session for Voyagers to return to classroom to make observations or ask questions about what they have seen. Visit their website to see more about this brilliant Club! http://vrvoyagers.net/wp/how-it-works/
Journalism Club

Angela Torres Diaz

Monday | Years 7-9

In this club Year 7- year 9 students will be discussing topics they are passionate about, analysing previous articles and writing about stories they have found individually as well as focussing as a group on a story and having each individual find their part to add to the overall article.
Enrichment Mathematics

*Ben Shuttleworth*

**Monday**  
Years 7-8

Fun enrichment and support in the area of mathematics.
KS1 Arts and Crafts Club

Erin Petrescu, Ipek Ozkan, Ema Pop

Monday

Years 1-3

Join Year 10 student leaders in chance to enjoy experimenting and completing a whole range of arts and crafts activities.
Innovation Hub

*Tudor Atanasiu*

**Monday 3:00pm - 5:00pm**
**Saturday 12:00pm - 2:00pm**  
*Years 7-13*

Join Year 10 student leaders in chance to enjoy experimenting and completing a whole range of arts and crafts activities.
PET Preparation Club

Daniela Chirica, Sarah Porter

Monday and Thursday  
Years 7-13

This class is for EAL students who have a pre-intermediate level of English. Students will attend lessons in English grammar and vocabulary and, when appropriate, will be entered for the Cambridge Preliminary English Test.
Karate Beginners

Marta Stuparu

Monday and Wednesday 3-5pm  R-Year 12

Please note that karate club will run for the same children until the end of the year. No new children will be admitted.
Romanian for Native Speakers

Alina Preda

Monday and Wednesday Years 7-8

This CCA is for students whose native language is Romanian. In this CCA you will improve your ability to speak, read, write Romanian, you will acquire knowledge about Romanian grammar and literature.
Climbing

*Vlad Popa*

**Tuesday**  
R-Year 4

Climbing is one of the most complex activities children can experience and can really help to develop their confidence and perseverance, requiring the coordination of all four limbs, strength and problem-solving. Our very experienced teachers are always on hand to supervise children carefully, with safety as paramount. Small group sizes enable individual attention to help children to develop their skills and our purpose built climbing wall allows the club to proceed in all seasons.
Tennis Beginner Group Lessons

Mihai Barza

Tuesday 5-6pm  R-Year 12

Tennis coaching as part of a weekly programme where your children and a qualified professional come together for a fun, educational and learning experience that can be taken to a higher level. The focus is on shot development helping to improve consistency of the shot within a game context. Also the sessions will improve cardiovascular fitness, body coordination, flexibility.
Tennis Advanced Group Lessons

Mihai Barza

Tuesday 6-7pm  R-Year 12

Tennis coaching as part of a weekly programme where your children and a qualified professional come together for a fun, educational and learning experience that looks at the basic skills. The focus is on shot development helping to improve technique. Also the sessions will improve cardiovascular fitness, body coordination, flexibility.
Gymnastics

*Mariana Mois*

**Tuesday**

In gymnastics club children can develop their flexibility and accuracy in physical movement, under careful supervision
Community Service - Fundatia Inocenti

Aine Staunton, David Pering

Tuesday 3.00pm - 5.15pm

A fantastic opportunity for anyone wishing to go into medicine or the caring professions, or wanting to make a difference in the community. Students will visit the hospital once a week to play and interact with babies and toddlers as part of the Fundatia Inocenti Child Life Programme, helping hospital staff to ensure the children gain the skills that they may not necessarily develop as long term hospital residents.
IGCSE Early Entry French

Elisabeth Citron

Tuesday | Years 9-10
Preparation for the IGCSE French exam in May 2017. This is for strong French speakers and those in Yr 10 wishing to study for another language IGCSE in Yr 11 eg Spanish. We will be covering the YR 11 French IG topics in this CCA.
German Club

Alexandra Werner

Tuesday  

Years 7-13

The goal of this activity is for students to work on their reading, speaking and writing skills in a native speaker context. Through the use of native German resources, games and books students will be given support to improve on their home language. Secondary students receive guidance for preparing IGCSE examinations if interested.
A Level Maths Troubleshooting

Alex Coope

Tuesday

Years 12-13

A help / revision session for students either retaking A level Exams or that wish to get extra practice for modules that they are currently studying. Be there or be a regular quadrilateral!
Book Club

*Timothy Appleton*

**Tuesday**  
Years 7-13

We explore the best in literature for children and young people, in a relaxed and informal atmosphere. Come and share your love of reading. And your cake!
Instruments of the orchestra

*Sally Clark, James Pywell*

**Tuesday**

*Years 7-13*

Students can work with flutes, saxophones, clarinets, violins, ‘cellos, trumpets or trombones. They will learn basic sound production and notation and be able to play several pieces as a small orchestra. Those who make the most progress will have the opportunity to join the full school orchestra in concerts. Students will have the opportunity to sign up for one-to-one lessons through the parent portal as a result of this ‘taster’ CCA and they will be eligible to hire instruments.
Puzzle time and wake up the brain games

Raina Myson, Loredana Barbu

Tuesday | R-Year 2

If you like puzzles, active games that get your thinking skills going then get signed up to this club. There will be both indoors and outdoors opportunities with this club.
Tabletop Wargames Club

Ben Shuttleworth

Tuesday R-Year 2

The club will initially focus on building, painting and playing with tabletop miniatures, moving onto building scenic terrain in the future. Students will develop craft skills, logic and mental arithmetic as well as learning a new hobby.

Please note, students will need to acquire craft supplies and miniatures to fully participate in this CCA, and the cost of these can be expected to amount to 150-200 RON per month.
Paper Projects

Ann-Marie Isaac, Claudia Usturoi

Tuesday  R-Year 3

An arty crafty club to make different things out of paper.
Learn how to draw your favourite book character

Valentina Dumitru, Livia Petruta Bud

Tuesday | Years 2-6

Children will have the chance to develop some new art skills and techniques or to improve what they already know. It is a fun activity that would give the children the opportunity to spend a relaxing afternoon, to learn new skills and have fun.
EAL Primary Movers

Alexandra Petraru

Tuesday                 Years 3-6

This club is addressed to complete beginners or to students working at an A1 level of English. It is designed to help students integrate quickly and easily into an English language environment, having a main stress on vocabulary acquisition.
Lego/Construction Club

Louisa Ramsden

Tuesday | Years 2-4

Structured play using building blocks such as Lego and duplo.
F1 in Schools

Padraig Concannon

Tuesday | Years 7-13

CCA offered to those involved in F1 in Schools, with a particular focus on 3D CAD/CAM. The winning team has a chance to represent Romania in the F1 in school’s World championship in Singapore 2017
Jewellery making

*Cheryl Deckker*

**Tuesday**

Years 4-6

Learn to make your own fantastic jewellery from the most unexpected materials!
Computing club

*Jodie Lewis*

Tuesday  R-Year 2

In this club there will be the opportunity to explore a variety of different websites and programs, try out different activities and develop your computing skills along with having a lot of fun.
Train the brain—puzzles and problems

*Morwenna Hurst*

Tuesday  
Years 1-4

Think you could crack a code, solve any puzzle or problem whether it be number, word or logic... if yes, then this is the club for you!
Drawing to relax

Ana Maria Marin, Bianca Olah

Tuesday R-Year 2

As part of the club we will enjoy practicing different drawing and colouring techniques. Drawing helps to relax and we can enjoy this time together learning artistic skills in a calm environment.
Arts and Crafts

*Maria Iovu*

**Tuesday**  
**R-Year 2**

A chance to enjoy experimenting and completing a whole range of arts and crafts activities.
Choir for KS2

Nuria Perez Mauri, Pering David

Tuesday

Years 3-6

This club is calling out to all those students who love music, love to sing or just want to try. Last year the choir was involved in several excellent performances and this year we would like it to grow even more. We encourage you to sign up and be part of this exciting opportunity.
U11 Boys Basketball

Alexander Baines

Tuesday | Years 5-6

Training for the Under U11 Boys Basketball squad. The CCA is open to all abilities and will be focusing on developing individual and team skills however it is compulsory for all students that would like to represent the school in interschool’s competition.
Secondary COBIS Swimming

Andrew Foord, Sarah Powdrill

Tuesday 3pm - 5pm

Swimming training for those students selected to represent the Secondary BSB team and compete in the COBIS games in London
Secondary Badminton

Mark Hooper

Tuesday 4.00pm - 5.00pm

Badminton training suitable for all abilities. Learn the rules and skills of the game e.g. serving, smash etc
Rainbows

Rachel Eglinton, Philippa Wheatley

Tuesday | R-Year 2

Rainbows is for girls aged 5-7 years & is part of Girl Guiding. Girls will learn, grow & have fun.
Drawing Fundamentals

*Mark Williams*

**Tuesday**

Years 7-13

Learn the basic principles of drawing - line, light and shadow, proportions and texture to support all your studies in Art.
Knitting club

Sarah Lancaster

Tuesday  
Years 7-11

All welcome from total beginners to experienced knitters. Choose your pattern and create warm, winter items that you can’t buy in shops.
Write and illustrate a story book for young children.

*Beverly Prudden*

**Tuesday**  
**Years 7-11**

This CCA will give students the opportunity to develop both their artistic skills and storytelling craft. They will design and plan a short story to captivate young children and illustrate it with interesting pictures. A good appreciation of audience and purpose will be needed to choose a suitable subject, language and structure. The results will be tested on a live audience!
Cooking Club

*Sue Ellingham, Sara Faisal, Nayla Stati, Cillian O’Haimhirgin*

<table>
<thead>
<tr>
<th>Tuesday</th>
<th>Years 7-10</th>
</tr>
</thead>
</table>

If you enjoy cooking and want to learn about different recipes and what it takes to produce a delicious meal then sign up for this club.
Karate Advanced

*Marta Stuparu*

**Tuesday and Thursday 3-5pm**  
R-Year 12

Please note that karate club will run for the same children until the end of the year. No new children will be admitted.
School Production;  
**13! The Musical**  
*Sophie Hindley, Leo Bird, Charlotte Sneath*

---

**Tuesday and Thursday 3.00pm-4.30pm   Years 7-13**

This CCA will be for students who have auditioned for the Secondary School Production and have sucessfully been selected to be main characters in the secondaary school play. This performance of 13! is a broadway hit about friends, enemies and school life. Auditions for this CCA have been held during Novemeber and sucessful students will be pre-registered for this CCA. (Please note that there will be seperate CCA/rehearsals for Dancers, band members and singers and students will have auditioned accordingly.)
Cambridge English First

Jonathan Smith

Tuesday and Thursday | Years 7-13

FCE examination is the next step after passing the PET examination.

“A Cambridge English: First (FCE) qualification proves you have the language skills to live and work independently in an English-speaking country or study on courses taught in English.” - Cambridge English website
Climbing

Vlad Popa

Wednesday

Years 1-5

Climbing is one of the most complex activities children can experience and can really help to develop their confidence and perseverance, requiring the coordination of all four limbs, strength and problem-solving. Our very experienced teachers are always on hand to supervise children carefully, with safety as paramount. Small group sizes enable individual attention to help children to develop their skills and our purpose-built climbing wall allows the club to proceed in all seasons.
Gymnastics

Mariana Mois

Wednesday  

Years 4-12

In gymnastics club children can develop their flexibility and accuracy in physical movement, under careful supervision
Fencing Advanced

Lucian Burche

Wednesday  

Years 4-12

In our Intermediate to Advanced classes you will refine your blade work and footwork as well as fencing tactics/strategies. A strong emphasis will be placed on footwork intertwined with blade work and strip tactics. The fencing mental game is intensified and practiced.
IGCSE Biology troubleshooting and preparation

Naomi Bousie

Wednesday

Year 11

A chance to review the course content from year 10 to help prepare students for their final IGCSE exam. These sessions will include revision techniques as well as looking at past papers. This is for year 11 Biology students only.
School Orchestra

Sally A Clark

Wednesday 3.00pm - 4.30pm  Years 7-13

This term we will be building on the success of last year in quality and quantity of performances. Past members of the school orchestra are expected to join again as are members of the Advanced Orchestra which will not run this term. New members are most welcome, but they must be able to read standard notation easily and have been taking one-to-one lessons regularly for at least a year, preferably 2 years. Students will learn to work in a team of mixed ages and abilities and be taught orchestral discipline. Players of non-orchestral instruments may need to be auditioned before being accepted.
Art & Design Course

*Mark Williams*

Wednesday  

Years 10-13

An opportunity for GCSE and A-level students to make use of extra teacher input and the art room facilities to develop their coursework projects.
Ukulele Club

Paul Gildea

Wednesday

Years 3-6

Fun and laughter and all through learning an instrument. This club is for you if you want to learn or perfect your skills with the ukelele.
Chinese Club for the HSK

*Tong Zhou*

**Wednesday**  
Years 7-13

This club is for the students who need help for the HSK exam. The vocabulary and the grammar will be taught and some mock exams will be given in the courses.
French for beginners

*Dalila Danu*

**Wednesday**  
**R-Year 2**

To learn French for fun. Join Ms Dalila in a beginners conversational French class which will include French games and songs to introduce students to the language.
EAL Primary Flyers

*Alexandra Petraru*

**Wednesday**  
**Years 3-6**

This club is addressed to students working at an A2 level of English. It is designed to help them integrate quickly and easily into an English language environment. EAL Flyers represents a preliminary step for those students who wish to take the Cambridge KET (Key English Test).
Wood Work

Jenna Batson

Wednesday R-Year 2

An exciting new club to foster those creative skills as well as learn the skills to work with wood carefully and safely. The children will develop their hand-eye coordination, strength in hand and arm muscles, design and planning, use of tools, construction techniques, understanding of the quality of materials, perseverance, and pride in their achievements.
Build BSB

Tudor Atanasiu, Padraig Concannon

Wednesday

Years 7-13

This is a practical hand-on CCA where students will investigate, design and make items for the BSB campus. This concept design and practical course will require the students to identify a need in the BSB community and make something that will both enhance the environment and learning for their fellow students. The scope for the build is only limited by the participant’s imagination.
Programming for Python

Melissa Barker-White

Wednesday  Years 10-13

Students will learn the principles of computer programming using Python. They will gain an understanding in writing code for a purpose or project. They will learn the development process, including developing the concept, writing pseudocode, programming and debugging. By the end of the club, a student should have knowledge of the programming statements and have created a program for an intended purpose.
Shall we dance?

Irina Bodea

Wednesday  

Do you want to learn how to dance? Do you want to have fun while making up choreographies? Then, this is the perfect opportunity to try out different styles of dance such as Tango, Rumba, Waltz, Samba, Foxtrot, Cha Cha, Viennese Waltz, Salsa, Argentine Tango, Bachata, West Coast Swing, East Coast Swing, Jitterbug, Hustle and Merengue.
Storytime

*Emma Sauer*

Wednesday R-Year 2

There is nothing better than getting all cosy and comfy and listening to a good story. In this club we will talk about the characters, act out some of the stories and do art related activities.
U9 + U11 Girls Basketball

Sarah Powdrill, Katherine Dibble

Wednesday  Years 3-6

Training for the Under U9 + U11 Girls Basketball squad. The CCA is open to all abilities and will be focusing of developing individual and team skills however it is compulsory for all students that would like to represent the school in interschool’s competition.
COBIS Secondary Athletics / Football

Andrew Foord

Wednesday 

Years 7-8

Athletics and Football training for those students selected to represent BSB and compete in the COBIS games in London
Yoga and relaxation

Charmaine Foord

Wednesday

Yoga helps kids to:
Develop body awareness
Learn how to use their bodies in a healthy way
Manage stress through breathing, awareness, meditation and healthy movement
Build concentration
Increase their confidence and positive self-image
Feel part of a healthy, non-competitive group
Have an alternative to tuning out through constant attachment to electronic devices
Help your body unwind and de-stress after a busy day at school. This class will help you relax, stretch your muscles, build strength and balance.

We now have the professional standard, full Adobe Creative Cloud Software in school. Take advantage of this fantastic opportunity to learn how to create computer animation using the upgrade version of Flash, called Animate. You will also have the opportunity to do design your own graphics too using Illustrator and Fireworks to enable you to create characters to use in Animate.
Board games

*Charlotte Sloan*

**Thursday**  
Year R-2

Chance to relax a play your favorite board games with your friends. Snakes and ladders, ludo, pick up sticks the choice is endless and the fun never stops.
Climbing

Vlad Popa

Friday | Years 5-13

Climbing is one of the most complex activities children can experience and can really help to develop their confidence and perseverance, requiring the coordination of all four limbs, strength and problem-solving. Our very experienced teachers are always on hand to supervise children carefully, with safety as paramount. Small group sizes enable individual attention to help children to develop their skills and our purpose built climbing wall allows the club to proceed in all seasons.
Dance

Mariana Mois

Friday  

Years 4-12

Rhythm and movement skills are taught in a fun and active way
Private Fencing

Lucian Burche

Friday 3-4.30pm  Years 3-9

Individual lessons are the ultimate experience of fencing training. The Fencing master will be working exclusively with you. The programme will be tailored to your personal needs, style and temperament and is suitable for all abilities. One to one training will provide the opportunity to receive quality coaching enabling you to progress at a rapid rate.
School of Rock

*Scott Allsop*

**Friday**  
*Years 9-13*

Develop musical skill and collaboration in a rock band setting, with a view to perform at school events.
Run Club

*Thomas Smith, Katherine Dibble, Philip Walters*

Friday 3.00pm - 4.30pm

Years 7-13

Running club is open to all Secondary students and will take place both at school and around Banesea Forest. The club will focus on developing endurance.
Band for the school musical

*Sally Clark*

Friday | Years 7-13
------|--------

The band will be used for the school production in March, and requires a drummer, guitarist, bass player and 2 keyboards. Students will be invited, but others may sign up if their level is high enough. Miss Clark will discuss.
Touch Rugby Saturday

Richard Myson, Joseph Coyle

Saturday 8am - 9am  Years 9-13

Join Mr Myson and Joseph Coyle (Head Boy) on a Saturday morning for this fast flowing exciting game, available to both boys and girls.
